1: Looking back on the memory of
2: Holding you I held everything

1: The dance we shared 'neath the stars above
2: For a moment wasn't I a king

1: For a moment all the world was right
2: If I'd only known how the king would fall

1: How could I have known that you'd ever say goodbye
2: Then, who's to say you know I might have changed it all

CHORUS

And now I'm glad I didn't know
The way it all would end
The way it all would go
Our lives are better left to chance
I could have missed the pain
But I'd have had to miss the dance

Circle Of Steel-crdr

from www.traditionalmusic.co.uk

(D) (C) (D) (G) (D) (G) (A) (Cmaj7) (D)

Rows of lights in a (C) circle of steel
Where you (D) place your bets on a (G) great big wheel
(D) High windows (C) flickering down through the (G) snow
A (D) time you know
Sights and sounds of the (G) people going (A) 'round
Every (Cmaj7)body's in step with the (D) season

A child is born to a welfare case
Where the rats run around like they own the place
The room is chilly, the building is old
That's how it goes
A doctor's found one his welfare rounds
And he comes and he leaves on the double

Deck The Halls was the song they played
In the flat next door where they shout all day
She tips her gin bottle back till it's gone
The child is strong
A week, a day, they will take it away
For they know about all her bad habits (F#m) (Bm) (Em) (A) (Cmaj7) (D)

Christmas dawns and the snow lets up
And the sun hits the handle of her hairloom cup
She hides her face in her hands for a while
Says look here child
Your father's pride was his means to provide
And he's serving three years for that reason

Rows of lights in a circle of steel
Where you place your bets on a great big wheel
High windows flickering down through the snow
A time you know
Sights and sounds of the people going 'round
Everybody's in step with the season

Dancing with Myself

Words and Music by Billy Idol and Tony James

Intro

Verse 1

On the floor of Tokyo
Or down in London town to go,
With the record selection with the mirror reflection
I'm dancing with myself.
When there's no one else in sight
In a crowded lonely night,
Well, I wait too long for my love vibration
And I'm dancing with myself.
